The graduation rate will increase to 90% due to Tier 1 MTSS interventions. 	<ol style="list-style-type: none"> 1. The strive hi report shows that only 74% of 9th graders were promoted to 10th grade on time. 2. State strategic plan indicators. ELA proficiency from 2019 is at 54% (The 2021 ELA proficiency rate is 74% but the participation rate was very low due to COVID), Math is at 29%. There is little evidence to suggest that teachers are utilizing the data team/RTI process to target student needs based on STAR360 data. 3. There is little evidence of uniform, school-wide tier 1 interventions being implemented to support students. Currently, our graduation rate is 83%.

One-Year Academic Plan SY 2022-2023

By the end of SY 2022-2023,

1. 56% of students will be CTE concentrators or participants due to the development and implementation of a plan to help students become college/career ready.
2. Faculty meetings will be attended by 100% of staff due to the implementation of an internal communication plan.
3. The chronic absenteeism rate will drop by 1% through the revision and implementation of the SEL plan.

1. Students depend on counselors and STARS advisory classes for career counseling. There is a need for focused postsecondary advising for all students. HHS does not offer all courses in the Program of Study (POS) in student interest areas. 45% of our students completed a CTE program by 12th grade.
2. The CNA and WASC have identified need and growth areas related to communication. Improving communication will lead to improvement in morale and collaboration amongst all stakeholders.
3. The chronic absentee rate has gone up 5%.
